

STORM WINDOWS

ALUMINUM

STORM WINDOWS

ARCHITECTURAL INTEGRITY AND PROTECTION

ADVANTAGES OF STORM WINDOWS

Maintenance Free

Weather Protection

Reduce Outside Noise

Protect Original Windows

Easy to Install - No Mess!*

DETAILS THAT COUNT

Custom-built to your specifications

Constructed of heavy-duty, extruded aluminum for long life and structural integrity

Creates a dead air space that helps block energy transfer

Complement your home with one of 16 beautiful colors

Low-E and other glass options available

Lifetime Limited Transferable Warranty

Latch bolts, swivel sash keys and sash guides have been re-designed for improved durability and functionality

Wrap around marine glazing seals glass firmly into sash and makes glass replacement easy

* The basic installation of ProVia Storm Windows is excluded by definition from the U.S. EPA Lead-Based Repair, Replace and Painting Program (RRP Rule).

Anti-bow pins ensure sashes will resist bowing under heavy wind loads (double hung only)

Adjustable 1" bottom expander simplifies installation for out of square openings and is weeped for drainage (except on #140 picture models)

Nylon pivot pins ensure smooth sash operation (double hung only)

Heavy-duty sash interlock seals out the elements (double hung & sliders)

WHY CHOOSE A LOW-E WINDOW?

Save Money and get Quick Payback!

Over 800,000 homes annually have storm windows installed¹, with virtually all having clear uncoated glass, reducing the heating load by only 13% with a 10 year simple payback².

In a recent Chicago study, Low-E storm windows showed marked improvement over the clear glass benefits amounting to an average of 21% heat load reduction and an average payback of 4.5 years².

Cost-effective alternative to total window replacement

Warmer in winter; average of 21% heat load reduction²

Cooler in summer; reduces solar heat gain

Reduces air infiltration

Storm windows are designed to be installed over existing windows having sloped sills and are not intended to be used as a primary window. Regardless of application, product warranty does not cover issues such as leaking and condensation.

COLOR OPTIONS

Our oven-baked finishes are backed by a Lifetime Limited Warranty for lasting beauty and low maintenance. These finishes are also available on ProVia Storm Doors, Aluminum Replacement Windows and Entry Doors.

FEATURED COLORS

LIMITED COLORS

Additional 2 week lead time required when using Limited Colors on Aluminum Storm Windows.

Refer to our color selector for accurate color representation.

ARCHITECTURAL SHAPES

Nothing adds drama to a home like specialized architectural shapes. Customized shapes are available in a wide variety of styles.

PRIVACY GLASS OPTIONS

Choose from Obscure Pebble or Gluechip glass if you need light to filter in, yet want to maintain privacy.

OBSCURE PEBBLE

GLUECHIP

Actual privacy levels will vary depending on your distance from the glass and also the amount of light in the room in comparison to the light outside your home. Privacy glass is not available for shaped storm windows.

TINT OPTIONS

Tinted glass can help reduce UV transmittance, solar heat gain and glare. Tinted glass options can give a room a whole new look, providing its own unique set of benefits. Be sure to choose the right one for your home.

Solargray® Gray Tint

Excellent glare control
 Exceptional protection against interior fabric and color fading
 Ultraviolet light protection

Solarbronze® Bronze Tint

High visible light transmittance
 Warm glow to interior décors
 Complements brick and stone
 Ultraviolet light protection

Solexia® Green Tint

Subdues interior brightness
 High visible light transmittance

Azuria® Blue Tint

Low shading coefficient
 High visible light transmittance
 Solar performance (reduces solar heat gain)

“To serve, by caring for details in ways others won’t.” It’s not just our mission, but a way of letting our light shine every day at ProVia®. We continually strive to put these words into action by providing unmatched quality and service. The P-icon symbolizes each employee’s commitment to devoting the utmost care, pride and quality into each building product we manufacture...it’s The Professional Way.
